

Société Environnementale de Clarence-Rockland
Clarence-Rockland Environmental Society

The Clarence-Rockland Environmental Society (CRES) is organizing jointly with the municipality the **community Spring Clean-up of Clarence-Rockland**.

Goal of the activity: Keep our Municipality nice and clean thus improving the quality of life of its citizens.

You are all welcome to participate in our community exterior Spring clean-up day of the City of Clarence-Rockland on **Saturday April 30, 2011 at 9:00 a.m.; rain or shine**. It is an ideal opportunity for family and friends to work together and for high school students to add to their Community Involvement Program volunteer hours.

Garbage bags will be given at the following locations:

Rockland: Town Hall, Laurier St

Clarence-Creek: Ste-Félicité School

St-Pascal: Du Rosaire School

Bourget: Community Centre, Lavigne St

Hammond-Cheney: St-Mathieu School

This is what we recommend to bring:

- work/garden gloves (preferably 2 pairs)
- appropriate footwear /work or rubber boots
- hat/cap
- sun screen lotion
- shovel or rakes (something to pick up glass tin and general garbage)

Note: This clean-up day is not to be confused with the city's annual collection of heavy items and rubbish.
